AT&T WIRELESS CAREERS

CUSTOMER CARE REPRESENTATIVES

Our full-time Customer Care Representatives receive inbound calls to thoroughly and efficiently gather customer information, assess and fulfill customer needs, educate the customer where applicable to prevent the need for future contacts, and document the reasons for the call through contact tracking. We resolve customer inquiries in a timely fashion, while providing quality service and support in a variety of areas including, but not limited to: billing, equipment, roaming, features, wireless coverage and system troubleshooting

To apply for one of these exciting opportunities please contact one of the following staffing agencies:
